1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be
X discouraged, or ___ encouraged? Please state why you think so. We come here to be in the country and away from people in masses

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. ___

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

Forgot to mail this with my dues and it is too late but better very late than never.

11) If so, should this be done:

____ for all of the town not now served by underground utilities

X only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500
____ $750
____ $1000 no
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

2 Sewer system
____ New School
____ Underground Utilities
____ Harbor development
1 Other (~~Save the Lagoon~~ - Make it Clean again by ~~dug~~ dredging or any other means possible.

14) Comments: ~~Absolutely~~ no more fill in the Lagoon or its few remaining adjacent pools where wild life still exists. Somehow stricter enforcement of our litter laws.

_____

As you will notice, I have had my check for dues made out for sometime. I was waiting to fill out this form. I am overwhelmed by just the problem of walking up town — the parked cars taking over the sidewalks and the barking dogs the roads. I know it is difficult for owners having small lots but after all we, who have garages, are paying taxes for same. There are some who have driveways and refuse to use them.

The dogs sense the weak of the elderly and I am solving that problem by going to the post office at 8:30 and trying to keep my husband from taking any walks. I go the long way and lose the privilege of using the Rheinhardt road when the corner of Buena Vista & Del Mar is crowded with dogs.

Agnes Hagenbuch.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Nothing gained

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. Nothing gained by continual increasing visitor

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:
- ✓ for all of the town not now served by underground utilities
- ____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
- ____ $500
- ____ $750
- ____ $1000 yes.
- ____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- 1 Sewer system
- ____ New School
- ____ Underground Utilities
- ____ Harbor development
- ____ Other (_____)

14) Comments: Would like to keep the area as is rather than trying to make it a Coney island.

_____

REPLIES TO 1970 questionnaire

Of our 178 members, 127 painstakingly answered the questionnaire sent with our annual report. As is often true their real concern comes through in their comments and most of them have strong opinion. Those resident in ~~XXXXXXXXXXXXX~~ Stinson Beach and those who are ~~non resident property~~ 2nd home owners , ~~many spending their weekends and holidays here~~ were tabulated separately, but their opinions were found to be remarkably unanimous.

Generally speaking, they want modest improvement of Highway #1, they do not want a freeway and do want Highway #1 removed from the California Master Plan. Of the 11 who voted for a freeway, some said it should be a parkway or part of a greenbelt, others that it should be on Bolinas Ridge with only an access road to Stinson Beach.

They became vocal on the subject of encouraging travel to and development of Stinson Beach. It would be encouraged by 26 and discouraged by 72. Comments included; " The topography prohibits development without destroying its rural charm and natural beauty" " One of the few places left with any character " " The ramshackle unplanned look of this town is its principle charm " " Development means a windfall to land owners and pollution and despoilment to residents". Some were generous: " Other people have a right to come" " Dont try to hold back progress; you had your chance to build, so should all," and some hopeless " You can't fight death, taxes, or increase of population". And finally, " The more people encouraged and accomodated the fewer will be able to enjoy the experience".

Questions regarding the use of traffic congestion as a means of discoura ing travel to and development of Stinson Beach were confusing to many people. Some did not try to reply. Others gave conflicting answers. of those who did reply 56 thought traffic congestion should be used as a menas of discourageme nt and 35 did not. 36 thought traffic congestion acceptable

only on weekends, 8 weekends and commuting hours, 11 all of the time& and 7 repeated their former implied negative withan underlined NEVER. 40 thought other means should be used and 35 did not. Other means suggested included " strict zoning laws" " restrict building density " " encourage the ~~development~~ ~~of~~ use of Point Reyes National Seashore by discouraging development of state parking monstrosities " " Parts of Stinson Beach are slum areas. Development would improve the whole. We are now unable to handle existing crowds and cars. With easier access more permanent residents would increase voters and tax income " " Advertise a slow service road. Rustic travel " " Retain a public relations firm to impress the public about the undesirable weather along our coast." Majority opinion is somewhat summed up in this comment " I dont agree that people should be discouraged from coming to Stinson Beach. I do believe certain things can and should be done which would not encourage more people to come than the beach can accomodate-- such things as, no freeway, no more multiple dwellings etc. ** * I would like to see everything possible done to discourage people from trespassing on private property."

It is natural that 44 members living away from Stinson Beach want growth in predominately second homes while only 12 local residents do. Members are even on wanting development of principal places of residence and both want single family detached homes.(50) Only 9 in both groups want apartments or condominiums ("Never") and 17 favor motels or resorts, specifying however " some" " one or two good " " modest ", but four reinforced their negative stand writing such notes as " absolutely not " " No never,". One thought multiple dwellings should be beautiful for vacationers but not for squatters. People voting for both a second home and a single family home often indicated an intention of retiring in Stinson Beach.

99 members voted that the appearance of Stinson Beach would be enhanced if public utility and power lines were put underground. 19 voted against it. One person remarked it is impractical. 52 think this should be done for all

of the town, 49 only in selected areas and 1 only in new subdivisions. Willingness to pay was as follows:

$ 500.00	23
750.00	12
1000.00	12
1250.00	5

Four would pay whatever is necessary and 1 nothing. Seadrift owners indicated that they had already paid. Comments included " it could be done for less, the figures are high" " cost should be borne by the utility company " to which one added " for those unable to pay " " payment should be prorated on an annual basis".

Of the possible priorties listed there were 97 who want a sewer system, 56 who want a new school," in Bolinas (2) ". 54 want underground utilities, 3 a community park, 1 an improved water system and 1 a master plan for the town. 38 voted for harbor development. Some who did not were emphatic " none" " No, no, no " " not under any circumstances". It was obvious from the comments that harbor development has many meanings." " Clear the lagoon only to the extent best for wildlife." " Am against development except as a harbor of refuge; otherwise leave it to the birds." " development of a conservation nature only." " need canoe and sailboat moorage " " develop horse trails, mini bike trails, hiking trails, tennis courts and facilities for limited swimming."

2 The deep interest of our members in this small community is shown by their comments on matters not included in the questionnaire.

Most members appear to want Stinson Beach to be, as it was, " a quiet, sleepy small village " " a good place to live " " keep its lovely rural quality". They want a home community growing only modestly. They want some of the amenities of life " intellectual and cultural development" though only two went so far as to want " a balanced community with a bank, 1 or 2 doctors, a dentist, a barber, a marine hardware store, a gift shop, a theatre and an art gallery." " By location Stinson Beach will develop as a resort town. Controlled and desirable growth should prevent a second rate type of visitor ".

Most comments relate to three topics not covered above.

1. Zoning, Building Codes and Home Maintenance.

There should be " tight planning and zoning requirements or restrictions" " to limit the number of occupants of a dwelling " " to prevent Stinson Beach becoming a honky tonk tourist trap " " to keep commercial development to a minimum ". " Keep out apartments and low grade housing " " upgrade existing housing " " make a survey of rented houses. Many are fire and health traps ". " Stage a paint up and fix up program " " Have a health and fire inspection of ALL homes and request owner's cooperation before it takes place " " Remove junk now piled in downtown areas " " Promote gardens and clean up vacant lots " " I am increasingly concerned with unrestricted planting and growth of large trees. Views we enjoyed for many years have gone due to the thoughtlessness of neighbors." " Land that is geographically limited should not be pushed, crowded, and pressed until its original appeal and usability are destroyed."

2 Traffic Control

Strong feeling was expressed by residents about parking all over town. " There is a lack of physical space for cars." " Traffic to Bolinas and north should be directed to Panoramic and Ridgecrest." " Trailers should be prohibited on Highway #1 on weekends and holidays " " Highway #1 should be posted in several places to direct slow traffic to lay-bys "(turnouts) " charge a toll on Highway #1 and Panoramic. Give passes to all residents " " should acquire land for public parking for visitors." " establish traffic control at main intersection-- by sheriff or volunteers." " Make a south entrance to the State Park and close the present one." " the county and state should assume responsibility for traffic control-"and non-resident services ". " Restrict parking on the street to one hour ". " Block off the calles and other non-county maintained streets."

3
People

" Mobs of people destroy what brought us here in the first place." " Property owners and real estate people should be more selective of their tenants." " For Hell's

Angel's and drug pushers make it no fun " " Too many undesirable people intrude on private property " Use the vagrancy laws and discontinue the use of the area by unwashed hippies." " Too much vandalism and the image of Stinson Beach is poor." These are typical of the many compla nts about our visible populations. What to do in an open society is a question but consideration of some of the suggestions made throughout this questionnaire should help somewhat.

out

1970 QUESTIONAIRE
Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road
Make it wider + safer

3) Should Hwy 1 be removed from the California Freeway Master Plan? ~~X~~ yes X no Assuming development of the Ridge Route Avoiding Stinson Beach, is part of the Plan!!

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. Area not large enough for additional people or for any major development. Point Reyes Park development will give the Public adequate area for recreation much more suitable and still close to S.F.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no
Simplest + least expensive. In time, however, more controls will be needed.

6) If so, is traffic congestion acceptable:
X on weekends only May need traffic control at main intersection during peak week-end hours.
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. Use of vagrancy laws to discourage use of the area by unwashed hippies and motor vehicle control to discourage motorcycle gangs. If these invasions become worse, anti loitering and restricted parking in city areas may reduce the problem.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

But not worth the cost unless a campaign is developed for residents to clean up their grounds and paint their homes. This is a project the Club should sponsor — Development of local pride in the city area.

11) If so, should this be done:

__X__ for all of the town not now served by underground utilities, BUT ONLY IF THE REST OF THE AREA IS SERVICED UP

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500 ?? NOT MUCH CHOICE ONCE A DECISION IS MADE AND
____ $750 A PROPER TOTAL COST IS DETERMINED.
____ $1000
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__2__ Sewer system
__3__ New School
__4__ Underground Utilities
__5__ Harbor development
__1__ Other (PROPER POLICING OF AREA FOR PROPERTY & PERSONAL PROTECTION — ALSO ADEQUATE FIRE PROTECTION

14) Comments: HOPEFULLY, THE PROGRESSIVE CLUB'S MAIN FUNCTIONS WILL BE TO: 1. LIMIT GROWTH OF THE AREA BASED ON THE SPACE AVAILABLE FOR CARS AND PEOPLE

2. RETAIN THE RURAL BEACH CHARM OF THE AREA

3. ASSIST IN PROPER INDIVIDUAL HOME AND GROUND MAINTENANCE TO AVOID DETERIORATION

4. AID IN AREA IMPROVEMENT AND PROPERTY & PERSONAL PROTECTION TO BENEFIT THE PROPERTY OWNERS & RESIDENTS.

NOTE: IF A CLUB PROJECT IS WORTHWHILE AND REQUIRES SPECIAL FUNDING, ASK FOR ASSISTANCE!

5. MAINTAIN THE RATHER UNIQUE WAY OF LIFE IN THIS, ONE OF THE FEW AREAS LEFT OF ITS KIND IN THE U.S. THIS IS VERY DEFINITELY PROGRESS — TO LIMIT THE AREA GROWTH AND PROTECT IT FROM THE INVASION OF TOURISTS AND WEEK-ENDERS WITH LITTLE RESPECT FOR PRIVATE PROPERTY OR THE RIGHTS OF LOCAL RESIDENTS — THE PT. REYES PARK WILL BE SET UP FOR THE PUBLIC TO USE AND ENJOY.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ___yes X no

2) If so, should improvements take the form of: Nothing!
___ construction of a freeway
___ major improvements to the existing road
___ modest improvements to the existing road
Those who don't like it, Stay away.

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. ~~Sylvan adirondages already half ruined by State and mobs.~~

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable: Unacceptable any time.
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. No more freeways! ~~No more State parking monstrosities,~~ no more private development.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
X Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___ yes X no

No. The ramshackle, unplanned look of this town is its principal charm.

11) If so, should this be done: No.

____ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500

____ $750 No! Leave us alone!

____ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

No! Sewer system

? New School

No! Underground Utilities

No! Harbor development

No! Other (Repair fire-damaged School, carry on with Miss Sullivan!

14) Comments: Suggested Slogan for 1970:

No progress is the best progress.

36

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

_____ Sewer system ✓
_____ New School
_____ Underground Utilities
_____ Harbor development
_____ Other (_____)

SB

14) Comments: No comments other than the belief that an adequate sewer system should be installed—

Mr & Mrs. C. F. Johnson—
Stinson Beach, Calif.

May 13, 1970.

4) Should travel to and development of Stinson Beach be ____ discouraged, or ____ encouraged? Please state why you think so. _____
_____
_____

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no

6) If so, is traffic congestion acceptable:
____ on weekends only
____ on weekends & during commuting hours
____ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. _____
_____
_____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
____ Predominantly second homes

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
X major improvements to the existing road
___ modest improvements to the existing road

another one who thinks this way

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___ encouraged? Please state why you think so. ___

See 14 Unreasonable in present form

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no

See 14

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

See 14

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. ___

If fills the town with non-productive, non-motivated, goal-less people "travel to" or "development" I suggest that property owners and real estate 60's be more selective of tenants

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

This could be a beautiful winter resort for vacationers not squatters

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:
- X for all of the town not now served by underground utilities
- ___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
- ___ $500
- ___ $750
- ___ $1000
- ___ $1250

No

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- (2) Sewer system
- (1) New School
- (3) Underground Utilities
- ___ Harbor development
- ___ Other (_____)

You are so right!!

14) Comments: "Travel to" and "development of" are not synonymous

4, 5, + 7 are unacceptable in their present form.

I "travel to" Stinson Beach every weekend and sometimes oftener I don't want a freeway.

As to "development of" — that's entirely separate from "travel to" and indicates that the authors of the questionnaire are basically concerned with access plus "development"

WOW!!

1970 QUESTIONAIRE
Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___ encouraged? Please state why you think so. We think development is bound to come, so the important thing is to see that it is properly planned

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no See No 8.

8) If so, please specify what means should be used. Here again the point is that it is bound to happen, so we should be looking for ways to keep the influx from being an unpleasant burden.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
___ Apartments and condominiums
✓ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

But, in some areas putting cables underground would hardly affect overall appearance.

11) If so, should this be done:

____ for all of the town not now served by underground utilities

✓ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500
____ $750
____ $1000
____ $1250

Not applicable, since our utilities are underground, so we have already paid.

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

2 Sewer system
1 New School
____ Underground Utilities
3 Harbor development – bicycle paths + canoe/sail boat + moorage + limited swim facilities
____ Other (_____)

14) Comments: _____

___ on weekends & during commuting hours
___ all of the time See below

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___ yes ___ no

an out of town (Bolinas Ridge) highway would take much traffic out of Stinson Beach.

11) If so, should this be done:

____ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500 we do not feel we can pay
____ $750 any more taxes at this
____ $1000 time
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__X__ Sewer system
__X__ New School
_____ Underground Utilities
_____ Harbor development
_____ Other (_____)

1970 QUESTIONAIRE
Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ___yes ✓no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___yes ✓ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___ encouraged? Please state why you think so. Neither, left as is.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
✓ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. ~~The banning~~ Not "improveing" Hwy #1 a great deal & not building the Bolinas Ridge Hwy which will bring a lot of people into this area.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

and substitute some other means (a village bell) for the noon siren except for once a month when it can be tested for Civil Defense purposes.

Also really complicated!!

11) If so, should this be done:

___√___ for all of the town not now served by underground utilities

_____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

___√___ $500

_____ $750

_____ $1000

_____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

___6___ Sewer system

___4___ New School

___3___ Underground Utilities

___5___ Harbor development

___2___ Other (Village Hall)

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___ yes ✓ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ✓ encouraged? Please state why you think so. You can't fight death, taxes or increase in population — and the ever increasing need for housing and access.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes, ___ no

— but who notices the appearance of anything above the eye-sore of riff-raff sitting around like flies on cow-dung?

11) If so, should this be done:

____ for all of the town not now served by underground utilities

✓ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500
____ $750
____ $1000
____ $1250

My utilities are below-ground.

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

4 Sewer system
3 New School
5 Underground Utilities
2 Harbor development
1 Other (Rid our St. Bch. - Bolinas area from vagrants, two-legged parasites, fearer-downers or whatever you want to call them. It wouldn't take much money — just a consistent hard focus of attention by the responsible "establishment" in giving total cooperation and collaboration with our fine sheriff's and police departments, building inspection and sanitation departments, plus mutual cooperation of responsible business owners and land-lords who rent lease or sell.

14) Comments: P.S. But then, perhaps the "establisment" is outnumbered by "parasites".

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___✓ construction of a ~~freeway~~ PARKWAY (VISIT AREAS THAT HAVE THESE TO SEE HOW IT'S DONE)
___ major improvements to the existing road
___ modest improvements to the existing road

3) Should Hwy 1 be removed ~~from~~ the California Freeway Master Plan? ___ yes ___✓ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___✓ encouraged? Please state why you think so. TO BUILD A BALANCED COMMUNITY - WITH A BANK, 1 or 2 DOCTORS, A BARBER, A DENTIST, MARINE HARDWARE STORE, GIFT SHOPS, LITTLE THEATRE, DRUGSTORE, ART GALLERY, etc.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___✓ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___✓ Predominantly second homes
ALSO ___✓ ~~Predominantly~~ principal places of residence
" ___✓ Apartments and condominiums
" ___✓ Single family, detached dwellings
" ___✓ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___✓ yes ___ no

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500

___ $750

___ $1000

___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

1 Sewer system

4 New School

3 Underground Utilities

2 Harbor development

___ Other (_____)

14) Comments: HIWAY 1 SHOULD HAVE BRIDGES OVER CANYONS, AS IT HAS ALL-THE-WAY SOUTH. LAGOON SHOULD HAVE A SMALL-BOAT HARBOR DREDGED. (CAN BE DONE WITHOUT SCARING BIRDS AWAY — VISIT MARINA DEL REY IN SO. CALIF, TO SEE HOW).

GOOD CLIMATE JUSTIFIES A PICTURESQUE RESIDENTIAL VILLAGE OF APPROX 5000 PEOPLE. THIS WOULD NOT BE TOO CROWDED, IF DEVELOPED WITH A PLAN.

STINSON AS IS, IS DEAD & DRIFTING — THIS WILL LEAD TO MORE SLUM-LIKE CONDITIONS. WHO ARE THE OBSTRUCTIONISTS WHO PREVENT GROWTH?

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Increased visitor services will increase taxes, and "development" will impair the natural beauty of Stinson Beach.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
✓ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. Development detrimental to the area (ie motels, resorts, apartments, condominiums, etc.) should be discouraged with STRICT ZONING LAWS!

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or X encouraged? Please state why you think so. NATURAL EVOLVEMENT OF THE OPENING OF THE POINT REYES PENINSULA. FACILITIES OF SERVICE IS THE NATURAL COURSE FOR STINSON BEACH.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes X no

6) If so, is traffic congestion acceptable:
___ on weekends only
X on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes X no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
1 Predominantly second homes
___ Predominantly principal places of residence
3 Apartments and condominiums
___ Single family, detached dwellings
2 Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

_X_ for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

___ $500

___ $750

_X_ $1000

___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

_1_ Sewer system

_2_ New School

___ Underground Utilities

___ Harbor development

___ Other (_____)

14) Comments: By all means we should opt for a Ridge Route with access roads to Stinson Beach.

__1__ Other (Improved police protection.)

14) Comments: Why has the Progressive Club degenerated into such a timid and emasculated shell of an organization — unwilling and/or unable to take a united stand on anything that smacks of controversy? Time was when this club commanded wide county respect and exerted influence in and for the region on a scale comparable to that of the Marin Conservation League. Not now, certainly. Seems to me that need is greater than ever for some guts in the club. etc

I bet you can't guess whose this is! Peg

"Travel" "development" should not be linked.
What does "development" mean?

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Existing facilities (Police - water - sewerage disposal etc) all paid by local taxpayers insufficient for resort area. Fed + State unwilling to pay necessary costs

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:
____ for all of the town not now served by underground utilities
__✓__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
____ $500
____ $750
____ $1000 no
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
____ Sewer system
____ New School
____ Underground Utilities
____ Harbor development
__✓__ Other (Traffic Control, inc. parking, Keeping Beach clean + transient population orderly - Flood control)

14) Comments: County + State must assume responsibility for non-resident services - More sheriffs for crime patrol - Traffic control - changing of State Park entry + exit to ~~North~~ southern limits of Village - paving of access roads to Beach. No 350 taxpayers can not support weekend visitors up to 10,000 persons. The Village is now bursting at seams. Excepting State Park no revenues is derived from transients. Even Park revenues go to State general fund.

Maybe Hwy 1 + Panoramic should be toll roads after Tam Valley - Residents + taxpayers gaining exemption via "passes".

If parking is further restricted, County should acquire land for public paid parking sufficient to accomedate visitors.

Geo H. White

___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. It is not large enough to handle all the "trippers" it should be kept quiet

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. have all people using the beach park in the State Beach area. No parking in town Locals could have special permits

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

owning a motel puts me in bad position. some motels and apartments NO highrise

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:
- ✓ for all of the town not now served by underground utilities
- ___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
- ___ $500
- ___ $750
- ✓ $1000
- ___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- ___ Sewer system
- 1 New School
- ___ Underground Utilities
- 2 Harbor development → conservation
- 3 Other (traffic congestion litter)

14) Comments: We could make money by charging for parking on streets. ½ hour parking

could there be a "bump" put on the road entering town to make people reduce their speed. also one on Arenal ave. There are a lot of little children who get used to the quiet streets during the week + then the speeders come in for weekends.

Also a sign designating the creek as OSKOOT (spelling) Gultch - Henry knows the history. It is kind of quaint!

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ___yes X no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
___ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. THERE ARE FEW ENOUGH PLACES LEFT WITH ANY CHARACTER AT ALL. FURTHER DEVELOPMENT WILL SPOIL WHAT IS LEFT OF STINSON BEACH'S CHARACTER.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. UNFORTUNATELY I AM AT A LOSS TO THINK OF ANY.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
ABSOLUTELY NOT ___ Apartments and condominiums
___ Single family, detached dwellings
ABSOLUTELY NOT ___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

No Dues

Family member 1969

11) If so, should this be done:

X for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

X $500

____ $750

____ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

2 Sewer system

4 New School

1 Underground Utilities

* -1 Harbor development

3 Other (IMPROVED WATER SYSTEM)

14) Comments: I BELIEVE THAT GREATER EFFORT SHOULD BE MADE TO SEE THAT SEWAGE LEAVING THE COMBINED TREATMENT PLANT RECEIVE BOTH PRIMARY AND SECONDARY TREATMENT.

EXISTING FACILITIES HAVE SOME SLIM EXCUSE FOR ENVIRONMENTAL POLLUTION BUT STARTING FRESH AND BUILDING AN INADEQUATE PLANT IS INEXCUSABLE.

MUCH OF THE ABOVE ALSO APPLIES TO NOTIONS ABOUT DEVELOPING THE LAGOON.

Jared Rayfus

* I PLACE A NEGATIVE PRIORITY ON HARBOR DEVELOPMENT. I CAN THINK OF FEW THINGS WORSE.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___ yes X no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___ encouraged? Please state why you think so. encouraged = for nice people, discouraged = for hippies

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes X no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes X no see Nr: 14

8) If so, please specify what means should be used. People should be careful to whom the rent their house.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

Yes, but see Nr: 14.

11) If so, should this be done:

____ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

see 14

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

_____ $500

_____ $750

_____ $1000

_____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__X__ Sewer system

_____ New School

_____ Underground Utilities

_____ Harbor development

_____ Other (_____)

14) Comments: It seems to me, the most important thing is a : Sewer system.

1970 QUESTIONAIRE

Please return with your annual dues payment.

answers mixed up

1) Should there be any improvements to Hwy 1? ___yes X no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. See #14

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only (Fall, Winter, Spring)
___ on weekends & during commuting hours
X all of the time (Summer)

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. See #14

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500

____ $750

__X__ $1000

__X__ $1250 (if absolutely necessary)

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__2__ Sewer system

__1__ New School

__4__ Underground Utilities

____ Harbor development

__3__ Other (Restoring the beach to its former sandiness)

14) Comments: I am a reactionary as far as Stinson Beach is concerned. I spent most of my summers there from 1927 to 1941; I loved the town and the beach just as it was then. Now I visit "The Camp" throughout the year; it is my only refuge of peace; I look upon every increase in its population--every kind of increase--with dismay. I want the permanent residents to have the best in sanitation, schools, etc., but I cannot share their interest in commercial growth. In fact, I would gladly suffer heavy financial loss--higher taxes, more expensive facilities, declining property values, whatever--rather than see the town grow more popular. Therefore I am opposed above all to a freeway; that would be the end. For the same reason I want no further improvement of present access; the roads are already faster and safer than I like; total deterrence is better than congestion, as far as the casual motorist is concerned, and regular drivers will know how to drive safely at reasonable speed. I also recommend additional police to discourage hippies, motorcycle gangs, etc. (I have had to install an alarm system for a house robbed three times in three years; my wife, sisters and daughter no longer feel safe walking through the town in the evening.) I recommend the strictest zoning ordinances to control blueprints (no apartments, above all!), the number of occupants per dwelling, etc., and whatever other local ordinances will protect the town from packing solid. I wish, too, that the State Park authorities raise the parking fee to $10.00, convert the South parking lot to willow thickets, truck the old dunes back in again, remove their gruesome lines of trashcans, close all restrooms but one--and in short, offer a superbly beautiful beach to the hardy, faithful fewer rather than offer a constantly deteriorating beach to constantly growing masses of Coney Island types. I am unashamedly selfish about this; if there isn't plenty of selfishness at work, there won't be one haven of sea-beauty and tranquillity left, in 20 years, between Big Sur and Crescent City.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
✓ major improvements to the existing road
___ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ✓ encouraged? Please state why you think so. The demands of the ever-increasing population for near-by beach life leaves no choice - Demands on SB will increase - Better develop a plan and thereby - over

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
✓ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no

8) If so, please specify what means should be used. You can't avoid attracting more people with such an excellent beach -

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
✓ Motels, resorts, etc.

a freeway would encourage this direction of development in some modest degree -

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:
- ✓ for all of the town not now served by underground utilities
- ___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
- ___ $500
- ___ $750
- ✓ $1000 - this is the charge we pd. $260/lot - we own 4 at Seadrift.
- ___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- 1 Sewer system
- 2 New School
- 3 Underground Utilities
- 4 Harbor development - only increases the crowds -
- ___ Other (_____)

14) Comments: The pollution of the Lagoon will gradually destroy all other advantages of SB - if not corrected. Of course, I realize I speak as a Lagoon resident!

4. be prepared to guide the use of the community by ever-larger crowds - Second-rate communities trying to escape progress become attractive to a second-rate type of visitor — or so it often seems — To discourage travel to & development of SB seems to be, in my opinion, a way to only depress the billage indefinitely. By location - Stinson Beach will develop as a recreation-resort town, but controlled growth will probably achieve a more attractive result.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. THERE IS LARGE USE BY PRESENT OWNERS & RESIDENTS. THE STATE PARK OVERFLOW CREATES ENOUGH CONGESTION NOW. ANY ENLARGEMENT WOULD RESULT IN MORE BARREN LAND & PAVED PARKING LOTS

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. POINT REYES SEASHORE & OTHER NEARBY AREAS CAN ABSORB MOST OF THE INFLUX.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

quit

1970 Questionaire Page 2

11) If so, should this be done:
- X for all of the town not now served by underground utilities

- ___ $750
- X $1000
- ___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- X Sewer system
- 4 New School
- 3 Underground Utilities
- 2 Harbor development
- ___ Other (_____)

SCHOOL #1 NOW THAT SOME WARPED MIND DESTROYED THE PRESENT ONE,

14) Comments: STINSON BEACH HAS BEEN NOTED FOR BEING QUIET, CLEAN, RESTFUL & A SLEEPY COMMUNITY. IT IS STARTING TO BE OVERCROWded. DEVELOPEMENT THAT MAYBE ABSOLUTELY NEEDED, SHOULd BE DONE IN AREAS EAST OF THE HIGHWAY. MAKE A HARBOUR OF REFUGE IN THE NORTH END BASIN. FACILLITY FOR HARBOR TO BE NORTH OF HARBOR.

I would like a question answered. You state the local Water District rep orts after nearly ten years, it has entered into a joint powers agreement with its Bolinas counterpart for the construction of a joint sewage treatment plant. Could you give me any idea about the time that sewer lines would be put in Stinson Beach as we will have to put in a new septic tank soom but if there is a possible to have sewer conections in the next couple of years which I think would be the best thing for the community to do. I sure would like to put in a word for the increase of the water rate the last few years when on some sumdays the water is turned off except for use in the State Park. Is this increase due in anyway with the sewer system??

Suggest a clarifying answer soon,

B. LaVerne Baughn

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ___yes X no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
___ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. The attractiveness and value of the Stinson-Bolinas area lies largely in its lack of "developement." There seems to be no point in deliberately eliminating the area's biggest asset.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no
↖ unless there is an alternative method.

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. Can't think of any at the moment, but I'm in favor of any alternatives that can be found

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
X Motels, resorts, etc. - one or two really good motels - perhaps one in the hills with a view.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

__X__ $500

__X__ $750

_____ $1000

_____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

(1) Sewer system

(2) New School - is needed

(3) Underground Utilities

_____ Harbor development

_____ Other (_____)

14) Comments: Am against any development of Bolinas Lagoon except as a small Port of refuge. Its main attraction and uniqueness is as a sanctuary for migrating (and breeding) water fowl

May 6, 1970

Dear Sirs,

We people who have summer cabins in Stinson Beach don't have much to say. We pay taxes and pay for water like the people who live there all year round. Their yard is a jungle.

We went there a few days before Henry was to pick up the trash and placed the trash where he could pick it up from the road. I know he picked up

from others but mine is still there. Your assistance in this matter would be appreciated.

Dont blame Henry for leaving it - Not a regular customer

Sincerely,

Marian L. Silva
1112 Harrison St.
Berkeley, Calif. 94706

On Bolinders between Dr Flynn and Vogel -

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ___yes ___no

2) If so, should improvements take the form of:
___X___ construction of a freeway
_____ major improvements to the existing road
_____ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___yes ___X___ no it should be rerouted

4) Should travel to and development of Stinson Beach be ____ discouraged, or ___X___ encouraged? Please state why you think so. Business men need customers to stay in business & pay taxes and make improvements

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no
I don't understand?

not unusual!

6) If so, is traffic congestion acceptable:
_____ on weekends only
___X___ on weekends & during commuting hours
_____ all of the time

Traffic congestion at all places is only at peak hours or weekends

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no ??? . . .

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___1___ Predominantly second homes
_____ Predominantly principal places of residence
___2___ Apartments and condominiums
_____ Single family, detached dwellings
_____ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___ yes ___X___ no
Could be improved with paint, cleaning & plastering and imagination.

11) If so, should this be done:

____ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

_____ $500
_____ $750 I think the figures are high.
_____ $1000
_____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

___/___ Sewer system
_____ New School
_____ Underground Utilities
_____ Harbor development
_____ Other (_____)

This makes good sense

14) Comments: We are in favor of freeway to the Nat Seashore Park with a good off ramp for Stinson Beach, giving people the option of coming to Stinson if they want but not cluttering it just to pass thru.

We've voted over the years Stinson Beach is weather oriented - Good weather there isn't enough room, fog and the beach is yours alone.

Mr + Mrs. Karl Untermann
27 Eye St
San Rafael
Calif.

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be
___ discouraged, or X encouraged? Please state why you think so. Encourage tourist development, land values will increase. Like Sausalito, S.B. will no doubt have more visitors than it can accommodate.

? 5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no

? 6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no

8) If so, please specify what means should be used. _____
_____
_____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
✓ Predominantly principal places of residence
no Apartments and condominiums
✓ Single family, detached dwellings
___ Motels, ~~resorts, etc.~~

? 10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___ yes ___ no
Perhaps

? 11) If so, should this be done:
____ for all of the town not now served by underground utilities
____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

? 12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:
____ $500
____ $750 would cooperate
____ $1000
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
__✓__ Sewer system
_____ New School
_____ Underground Utilities
_____ Harbor development
__✓__ Other (~~A few street lights + residential~~ areas)

14) Comments: In favor the two hour parking downtown on weekends (from observation) The house numbers project was a fine idea.

Having enjoyed the community and beach since 1924 and having a small home since 1957, we are interested in the community and appreciate the mark of the Club. Such a lovely spot needs no advertising to attract tourists, but we can share our good fortune with others.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Selfishly, I would rather have fewer people come to the area to avoid perhaps unwanted development of the Bolinas Lagoon, not to mention crowding and littering of the area.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. I feel to leave Highway 1 and the mountain road as is is an effective deterrent - to many would be travelers to Stinson Beach

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

____ for all of the town not now served by
/ underground utilities
____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500
____ $750 we have already paid, at Seadrift
____ $1000
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

/ Sewer system — absolutely number 1 in importance
____ New School
____ Underground Utilities
____ Harbor development
____ Other (_____)

14) Comments: I think your campaign to interest someone in clearing away the burned dredge is laudable. Good luck! I can't imagine how the owner was allowed to abandon the dredge.

Could you send me any information as to hearings etc in connection with the sewer question? I would appreciate it.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road for maintenance and safety only.

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no until the decision on relocation is firm.

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. The community can't support large numbers of people without becoming urbanized with all the problems we're trying to get away from.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only — It helps until there are ways of dealing with the problems of congestion of people.
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. Yes if we could think of some — Some way of getting people to use the Parks and public facilities — Parking fees in town and along Calif. Rd. Anyway so the dunes will stop being used as toilets + garbage dumps.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
X Predominantly principal places of residence
___ Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

There are higher priorities

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

__X__ $500
____ $750
____ $1000
____ $1250

The beach is being so rapidly spoiled for other reasons that even this amount would be wasted

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__1__ Sewer system
____ New School
____ Underground Utilities
____ Harbor development
__2__ Other (Needed ways of keeping town clean.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

Sidewalks in Town + bike path only. ←

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Area should be "natural" with as few cars as possible. Hikers, bikers + horseback riders should be encouraged. pollution area

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
✓ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. New building lots should be required to be 1 acre in size. No further building permits be issued around the lagoon + sea drift area.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
{yes Predominantly second homes
{yes Predominantly principal places of residence
NO Apartments and condominiums
NO Single family, detached dwellings
absolutely not Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

This is very important - and would make a fantastic improvement if done all the way down route one around the lagoon.

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

This is a case where a few can't spoil the beauty of the area for all the people. When people are really poor, the utility companies should pay for it. Their rates are plenty high + they are a monopoly anyway.

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

___ $500

___ $750

___ $1000

✓ $1250

Whatever it would cost is alright but the company should be made to pay for it.

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

4 Sewer system

1 ✓ New School

3 Underground Utilities

5. absolutely under any circumstances.

___ Harbor development

2 Other (bike paths on rt. 1 and a sidewalk from panoramic to Bolinas.

14) Comments: The road thru Seadrift should be open to the public. It is scandalous that we cant go thru there. They even bother you when you walk on the beach!

1970 QUESTIONNAIRE

1. YES - there should be improvements to Hwy 1 - lots of them.

2. These improvements should take the form of:

   Construction of a freeway

3. NO - Hwy 1 should not be removed from the Calif. Freeway Master Plan.

4. ENCOURAGE travel to and development of Stinson Beach. This being a resort area, the present facilities are not adequate for the crowds normally visiting and enjoying the area. With development will come greater ability to provide the needed facilities and protection for residents as well as visitors.

5. NO - traffic congestion should not be used as a means to discourage travel to and development of Stinson Beach.

6. No answer required in view of answer to #5.

7. NO

8. No answer required in view of answer to #7.

9. APARTMENTS and CONDOMINIUMS would seem to be the pressing need.

10. YES - DEFINITELY. - as there is no beauty - esthetic, artistic or otherwise to the utilities and their evidences being strung all over the area.

11. YES - for all of the town not now served by underground utilities.

12. Seems to me the major portion of the cost of underground utilities should be borne by the utility company.

13. The most pressing item for correction and attention would be a sewer system.

14. More and more people are in the offing. Whether we like it or not - we at Stinson Beach cannot and must not stand still - but we must move forward to grow along with the rest of the country. Therefore we must get organized and be ready for the more crowded days to come.

___ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Roads & streets inadequate - Water supply very inadequate - Present sewage disposal seriously inadequate.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
✓ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. Restriction of building density - require more space per living unit.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__✓__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

__✓__ $500

____ $750

____ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

(1) ✓ Sewer system

(2) ____ New School

(4) ____ Underground Utilities

(3) ____ Harbor development

____ Other (_____)

14) Comments: I am increasingly concerned with unrestricted planting & growth of very large trees - e.g. pine & cypress which has seriously reduced views we have enjoyed for many years. This is thoughtless on the part of neighbors who could landscape their property with plants or small trees that would not obstruct other's views. Once these large trees are planted they are never trimmed or controlled. As a result the feeling of open space once so characteristic of our area is disappearing.

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500

____ $750

____ $1000

__X__ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__1__ Sewer system

__2__ New School

__3__ Underground Utilities

__0__ Harbor development

____ Other (_____)

14) Comments: Get the hardware store to remove the old junked washing machines dryers etc from in front of and the side of their building. This is an otherwise attractive building but it's the biggest eye-sore in town.

Discourage the town from becoming a haven for hippies. Don't rent to them, regardless of what they offer to pay.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. I think Stinson Beach should be like Carmel

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
X on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be X discouraged, or ___ encouraged? Please state why you think so. We prefer Stinson Beach to remain as one of the few Out posts left this side of Suburbia & the Urban Scene

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? X yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. Retain public relations form to inform the public about undesirable weather conditions along certain part of the Coast.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
X Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no Better a Scenic Highway along Ridge

4) Should travel to and development of Stinson Beach be ___ discouraged, or ___ encouraged? Please state why you think so. I would say discourage massive development (density is high enough already - existing + planned) neutral on travel.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no Well, let's have no Freeway leading into the heart of Stinson

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? X yes ___ no

8) If so, please specify what means should be used. Very close control of development + highways so as not to radically change the environment

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
X Predominantly second homes
___ Predominantly principal places of residence
X Apartments and condominiums
X Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

__X__ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500
____ $750
____ $1000
____ $1250

I'd like to hear what total cost would be and then how much per year over how many years. $50/yr ova 15 yrs would be OK

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__2__ Sewer system
__4__ New School — I assume this is the top priority in view of recent fire.
__1__ Underground Utilities
__3__ Harbor development

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. It still remains a beautiful, virtually unspoiled spot, a link with the past. It would seem to me that present problems should first be solved before we invite new ones.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
✓ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no

8) If so, please specify what means should be used. As a relative new resident (2nd home) I don't feel qualified to offer suggestions at present.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500

____ $750

____ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

✓ Sewer system

____ New School

____ Underground Utilities

✓ Harbor development

____ Other (_____)

14) Comments: I am sure that Your personal opinion deserves the best schools possible. I simply didn't check "new School" due to the fact that as Barbary residents our school taxes are completely out of line at present, and I am in a possible of being unable to help support other school districts at this time.

11) If so, should this be done:

X for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

X $500

___ $750

___ $1000

___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

X Sewer system

___ New School

___ Underground Utilities

___ Harbor development

___ Other (_____)

Clear out the Hippies before anything else !!!

14) Comments: If there was quicker, safer access to Stinson Beach via a freeway, I would be living there permanently, right now instead of being a "week-ender". As a consequence I would be spending more money with the local merchants, be able to participate in some local community activities - and have more money to further improve my property not having to maintain 2 residences.

Thank You

G. Stanley Muller

240 Calle del Mar

Stinson Beach.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. Discouraged until adequate plans, facilities and police control is available.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no

6) If so, is traffic congestion acceptable:
Don't know it is already with us.
✓ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no Not practicle

8) If so, please specify what means should be used.___

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
✓ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no
and a general clean up

no dues

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

_____ $500
_____ $750
_____ $1000
_____ $1250

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
✓ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. TO MAINTAIN IT'S SMALL SEASIDE TOWN CHARM IT WILL HAVE TO REMAIN SMALL

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time
NEVER acceptable — but a deterrant To many drivers -

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no ?

8) If so, please specify what means should be used. FOR HELLS ANGELS TYPES MAKE IT NO FUN, OR DRUG PUSHERS. ONLY NATURE PEOPLE ALLOWED.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
NEVER!
✓ Predominantly second homes
✓ Predominantly principal places of residence
NO! Apartments and condominiums NO NO NO
✓ Single family, detached dwellings
Motels, resorts, etc. NO

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

But is NOT feasible for most home owners at this time. Also, as an old Seaside Town they add a certain Touch. But the winds couldn't hurt them if they were underground. Practical -

11) If so, should this be done:

____ for all of the town not now served by
✓ underground utilities
____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500 Cost cannot be prohibitive.
✓ $750
____ $1000
____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

✓ Sewer system
✓ New School
____ Underground Utilities
NO Harbor development (leave the birds alone ~~NO boats~~)
____ Other (_____)

14) Comments: Think a survey should be made of all the absentee owners who rent. MANY of these houses are fire and health traps. Perhaps stage a "paint up and fix up" Stinson Beach month and request every owner's* cooperation before fire and health inspections Take place. Fair warning! and a wild incentive!

*NOT just absentee Every home owner.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___✓___ construction of a freeway
_____ major improvements to the existing road
_____ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___ yes ✓ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. To eliminate Stinson Beach of Hippies and undesirables who are a constant threat to both personal safety and property. Gives the area a bad name.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
_____ on weekends only
_____ on weekends & during commuting hours
___✓___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ✓ no

8) If so, please specify what means should be used. A Freeway on top of Ridge with some improv. of Old Bolinas road & should discourage travel suf. and still make available.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
_____ Predominantly second homes
___✓___ Predominantly principal places of residence
_____ Apartments and condominiums
_____ Single family, detached dwellings
_____ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ___ yes ✓ no

11) If so, should this be done:

___ for all of the town not now served by underground utilities

✓ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500 I have already placed wires on Seadrift Rd.

___ $750 underground so cannot say No.

___ $1000

___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

1. Sewer system

4. New School

5. Underground Utilities

3. Harbor development

2. Other (Cooperation with Sheriff for better protection

14) Comments: None - The above quite complete.

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? x yes ___ no

2) If so, should improvements take the form of:
   - x construction of a freeway
   - ___ major improvements to the existing road
   - ___ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? x yes ___ no

4) Should travel to and development of Stinson Beach be x discouraged, or ___ encouraged? Please state why you think so. Recent influx and taking over by "hippy" types who probably would not stop if highway did not go through the village

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes x no

6) If so, is traffic congestion acceptable:
   - x on weekends only
   - ___ on weekends & during commuting hours
   - ___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? x yes ___ no

8) If so, please specify what means should be used. Building of a new road on Bolinas Ridge would discourage stopping in Stinson Beach particularly by those on their way to Point Reys Seashore or northern points

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
   - x Predominantly second homes
   - ___ Predominantly principal places of residence
   - ___ Apartments and condominiums
   - x Single family, detached dwellings
   - ___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? x yes ___ no

11) If so, should this be done:

_x_ for all of the town not now served by underground utilities

____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

_x_ $500 , although I believe the utilities should pay for all of it.

_____ $750

_____ $1000

_____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

_x_ Sewer system

_____ New School

_____ Underground Utilities

_____ Harbor development

_____ Other (_____)

1) Should there be any improvements to Hwy 1? X yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
X modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? X yes ___ no

4) Should travel to and development of Stinson Beach be
X discouraged, or ___ encouraged? Please state why you think so. It should keep its lovely rural quality with all the natural beauty which has made us all enjoy and value living here. We do not want excessive traffic congestion, beercans etc. which come from excessive weekend influx of cars.

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ___ no Dont know.

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
No Apartments and condominiums
ABOVE ALL, YES → X Single family, detached dwellings
No Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes ___ no

11) If so, should this be done:

____ for all of the town not now served by underground utilities

__X__ only in selected areas where the majority of the property owners are willing to pay a share of the cost. I assume that there would not be funds from other sources for this purpose. If there were, from an outside source of course it would be good.

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

____ $500

____ $750

__X__ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

__1.__ Sewer system

____ New School

____ Underground Utilities

____ Harbor development

__2.__ Other Keeping town clean, and if possible free from rowdies.

14) Comments: Your group is doing a wonderful job.

___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? X yes X no

(2 markers)

11) If so, should this be done:

____ for all of the town not now served by underground utilities

✓ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500

____ $750

____ $1000

____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

X Sewer system

X New School

____ Underground Utilities

____ Harbor development

____ Other (_____)

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ___ yes ✓ no

4) Should travel to and development of Stinson Beach be ___ discouraged, or ✓ encouraged? Please state why you think so. We dont want to encourage day visitors but we want to encourage the right people to buy our land

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ___ yes ✓ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
✓ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ___ yes ___ no

8) If so, please specify what means should be used. _____

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
___ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
✓ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

✓ $500

___ $750

___ $1000

___ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

✓ Sewer system

___ New School

___ Underground Utilities

___ Harbor development

___ Other (_____)

14) Comments: Do we need a new school in this area? If so it would come before sewer system

1970 QUESTIONAIRE

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. We need a few quiet enclaves in Marin County where the presence of many people is not encouraged. Mobs of people destroy the very features that attracted them in the beginning

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
✓ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. Tight planning and zoning requirements to restrict or eliminate laundry, honeytonk tourist trap establishments and require conformity to somewhat bucolic standards

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
(1) ✓ Predominantly second homes
(2) ✓ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

✓ for all of the town not now served by underground utilities

___ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

___ $500
___ $750
___ $1000
___ $1250

whatever is necessary

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

2 Sewer system
1 New School
3 Underground Utilities
None Harbor development
___ Other (_____)

14) Comments: Stinson Beach is favored by nature and should not be permitted to become ugly, dirty and cheap by uncontrolled or thoughtless actions of people.

Please return with your annual dues payment.

1) Should there be any improvements to Hwy 1? ✓ yes ___ no

2) If so, should improvements take the form of:
___ construction of a freeway
___ major improvements to the existing road
✓ modest improvements to the existing road

3) Should Hwy 1 be removed from the California Freeway Master Plan? ✓ yes ___ no

4) Should travel to and development of Stinson Beach be ✓ discouraged, or ___ encouraged? Please state why you think so. The area is not sufficiently large to take care of tremendous groups of people -- (irrespective of the highway problems)

5) Should traffic congestion be used as a means to discourage travel to and development of Stinson Beach? ✓ yes ___ no

6) If so, is traffic congestion acceptable:
___ on weekends only
___ on weekends & during commuting hours
___ all of the time

7) Should other means be used to discourage travel to and development of Stinson Beach? ✓ yes ___ no

8) If so, please specify what means should be used. a more direct route to the Pt. Reyes National Park.

9) Assuming that Stinson Beach will grow, please state in what ways you think this growth should occur:
✓ Predominantly second homes
___ Predominantly principal places of residence
___ Apartments and condominiums
___ Single family, detached dwellings
___ Motels, resorts, etc.

10) Do you think the appearance of our town would be improved by putting telephone and power lines underground? ✓ yes ___ no

11) If so, should this be done:

- ✓ for all of the town not now served by underground utilities
- ____ only in selected areas where the majority of the property owners are willing to pay a share of the cost

12) If you are the owner of a house in Stinson Beach, would you be willing to pay for undergrounding of utilities, spread over a number of years, a total cost of:

- ✓ $500
- ____ $750
- ____ $1000
- ____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:

- ✓ Sewer system
- ____ New School
- ____ Underground Utilities
- ____ Harbor development
- ____ Other (_____)

14) Comments: Stinson Beach, like Bolinas, was an unspoiled natural community with beach and hills. Of "improved", there will be only garbage, pollution, and more building, which, in turn, means more people

Land that is geographically limited, should not be pushed, crowded and pressed, until its original appeal is destroyed. (along with its usability!)

- ____ $1250

13) Recognizing that the availability of funds is limited, in a very real sense, please indicate what priorities you would assign to community improvements:
- 2 Sewer system
- 1 New School
- 3 Underground Utilities
- ____ Harbor development
- ____ Other (_____)

14) Comments: _____

I have not answered 5, 6, 7, because I don't agree that people should be discouraged from coming to Stinson Beach. I do believe certain things can & should be ~~discouraged~~ done that would not encourage more people ~~coming~~ to come than the Beach can accomodate - such things as ~~a~~ no freeway, no more ~~more~~ multiple dwellings, etc. these should be avoided, I believe. the road is not great and certainly gets crowded on summer weekends, but I would much rather plan my own commute time accordingly than to have a freeway bringing hundreds more people than we now get.

I believe we should try to maintain some kind of beach patrol during the summer & early fall weekends and should explore the possibility of refuse cans all along the beach - owners perhaps sharing the cost. I would like to see everything possible done to discourage people from trespassing on private property - perhaps more no parking areas along Calle del Arroyo.
